THE TENNIS COMMITTEE

The Tennis Committee consists of members of the Club who are active in all levels of tennis play and work closely with Club staff to ensure that our policies, procedures, tournaments and events meet the needs of the tennis playing members of the Club. The Committee spends a great deal of time doing analysis and developing fair and balanced court usage policies. The percentage of court time provided to events, leagues and instruction is highly considered and in line with other private clubssimilar to the NSWC.

COURT ALLOCATION

There are several different court user groups: those who would like available courts for normal bookings, those who want courts available for instructional and development opportunities, those who want to participate with their peers in leagues or regular weekly bookings, and those who participate in our social events and tournaments. We strive to balance and meet the needs of all playing members.

The following court usage and reservations policies have been adopted by the North Shore Winter Club Tennis Committee, approved by the Board of Directors, and are intended to support all tennis players. We want all players to enjoy their playing time with equal respect and fairness for junior, adult, recreational and competitive participants and balance the demand for open play, lessons, clinics, teams, and tournament usage.
