FALL FEATURED RECIPE

French Apple Cake

INGREDIENTS

- 1 cup all-purpose flour
- 1 teaspoon baking powder
- ¼ teaspoon salt
- 1 stick (½ cup) unsalted butter, at room temperature
- ¾ cup granulated sugar, plus more for sprinkling over cake
- 2 large eggs
- 1 teaspoon vanilla extract
- 3 tablespoons dark rum
- 2 baking apples, peeled, cored and cut into ½-inch cubes

DIECTIONS

1. Preheat the oven to 350°F and set an oven rack in the middle position. Grease a 9-inch springform or regular cake pan with butter or nonstick cooking spray. If using a regular cake pan, line the bottom of the pan with parchment paper and grease again.
2. In a small bowl, whisk together the flour, baking powder and salt.
3. Using a handheld mixer with beaters or a stand mixer with the paddle attachment, cream the butter and granulated sugar until light and fluffy, about 3 minutes. Add the eggs, one at a time, beating well and scraping down the sides of the bowl after each addition. Beat in the vanilla and rum. Add the flour mixture and mix on low speed until just combined. Using a spatula, fold in the chopped apples.
4. Scrape the batter into the prepared pan and even the top. Sprinkle evenly with 1 tablespoon of granulated sugar. Bake for about 40 minutes, or until the cake is golden and a toothpick inserted into the center comes out clean. Allow the cake to cool on a rack in the pan.

Skating That Translates

Ben Payne's SKTT program focuses on game specific power skating and edge work. At Skating That Translates® players will not only learn "HOW" to effectively Skate but the importance of the "WHY" and "WHERE" The game of hockey is predicated on recurring movement patterns. The more times players are put in game-like environments in practice and development sessions, the higher probability to convert a high success rate when they encounter these situations come game time. For example, attacking and defending the rush, space and separation, agility and mobility in small areas on both the defensive and offensive side of the puck all require technical and tactical ability. Skating That Translates develops the entire skill set of a player and builds layers on top of the foundation of skating. If you cannot skate you cannot handle the puck, pass or shoot efficiently. Therefore you will not be effective in an individual tactical situation and team setting. Skating That Translates® takes power skating and "Edgework" one step further. Skating, skill development and IQ rolled into one program. Ben Payne and SKTT teach the "HOW" & "WHY" in skating skill development. Full hockey equipment is required.

Tennis Level of Play/Self-Rating Guide

Before registering for any of our programs or joining our leagues, take a look at the rating guide below to help you find the program that's right for you. Find the level that best describes your general level of play during a match.

LEVEL	GROUNDSTROKES	RETURN OF SERVE	NET PLAY	SERVE
1.0	I'm just starting to play tennis			
1.5	I've been introduced to the game, but have difficulty playing due to my lack of consistent rallying and serving.			
2.0	I can get to the ball, but lack control so my rallying is inconsistent. I often choose forehand instead of backhand.	I have inconsistent returns and tend to position myself to protect my weaknesses	In singles, I'm reluctant to come to the net. In doubles, I understand the basic positions and I am comfortable with forehand volleys (but avoid backhand volleys & overhead shots).	My toss is inconsistent and my service motion incomplete. Double faults common.
2.5	I can consistently rally 10 balls in a row over the net at moderate speed with an arced trajectory (especially forehand shots).	In singles, I can consistently return shots to the middle of the court. In doubles, I have difficulty returning cross-court to start the point.	I'm at ease at the net during practice, but still uncomfortable during a game.	I try a full service motion on my first serve, but it is still inconsistent (< 50%). I use an incomplete motion to ensure a steady second serve.
3.0	I can consistently rally 10 balls in a row using forehands and backhands. I'm able to maintain a moderately paced rally when receiving high, wide or short balls.	I can control the direction of the ball when receiving moderately paced serves.	I'm very consistent on moderately paced balls to my forehand, but still inconsistent on my backhand. I have overall difficulty with low and wide balls.	I have full motion on both serves and can achieve more than 50% success on my first serve; however, my second serve is much slower than the first.
3.5	I can make my opponent move around the court, hit harder when I receive easier balls, and perform approach shots with more than 50% consistency.	I can return fast or well-placed serves defensively, return an easier serve with pace or placement, and approach the net in doubles.	I'm becoming consistent on volleys & overheads requiring moderate movement. I can direct forehand volleys and control backhand volleys with little offense, but have general difficulty putting volleys away.	I can vary the speed or direction of a first serve and can direct the second serve to my opponent's weakness without double-faulting on a regular basis.
4.0	I'm able to develop points consistently by using a combination of shots; however, I'm erratic when attempting a passing shot or a quality shot from a fast or well-placed ball.	I have difficulty returning very fast or spin serves, but I can hit a good shot or exploit my opponent's weakness on moderately paced serves. In doubles, I can vary returns effectively on moderately paced serves.	I can follow an approach shot to net, poach on weak returns and put away easy overheads. In doubles, I can receive a variety of balls and volley offensively.	I can vary the speed and direction of the first serve and I can use spin.
4.5	I can use a variety of spins and am beginning to develop a dominant shot or good steadiness. I'm still erratic when attempting a quality shot in two of the following: when receiving fast balls, wide balls or in passing shot situations.	I can defend consistently off first serves, but am still inconsistent when trying an aggressive return (< 30%). In doubles, I have difficulty returning a first serve to the feet of the incoming serve and volleyer.	When coming to the net after serving, I'm consistently able to put the first volley in play but without pace or depth. Close to the net, I can finish a point using various options including drop, angle and punch volleys. I'm still inconsistent when trying to volley powerful or angled returns.	I have an aggressive first serve with power and spin. On second serves, I frequently hit with good depth and placement (without double faults). In doubles, I can serve and volley off first serves but still experience some inconsistency.
5.0	I am able to maintain a consistent rally, 10 balls in a row on faster balls. I have very steady strokes or a dominant shot. I periodically succeed (50%) when attempting a quality shot when receiving fast or wide balls, and in passing shot situations.	I periodically succeed (50%) at aggressive return off fast first serves using dominant shot (forehand or backhand). In doubles I can return at the feet of serve and volleyer.	In doubles, after the serve, I have a good, deep crosscourt volley. Overhead I can hit from almost any position.	My first serve can win points outright, or force a weak return. My second serve can prevent the opponent from attacking. I can serve and volleys on first serves in doubles with consistency.

TENNIS POLICIES & PROCEDURES

Tennis Committee

The Tennis Committee consists of members of the Club who are active in all levels of tennis and work closely with Club staff to ensure that policies, procedures, tournaments and events meet the needs of the tennis players at the Club. The Committee spends a great deal of time analyzing and developing fair and balanced court usage policies. The percentage of court time provided for events, leagues and instruction is highly considered and in line with other private clubs similar to the NSWC.

Court Allocation

There are several different court user groups: those who would like available courts for normal bookings, those who want courts available for instructional and development opportunities, those who want to participate with their peers in leagues or regular weekly bookings, and those who participate in our social events and tournaments. We strive to balance and meet the needs of all playing members.

The following court usage and reservations policies have been adopted by the North Shore Winter Club Tennis Committee, approved by the Board of Directors, and are intended to support all tennis players. We want all players to enjoy their playing time with equal respect and fairness for junior, adult, recreational and competitive participants and balance the demand for open play, lessons, clinics, teams, and tournament usage.

General Policies

- Please do not walk onto your designated court prior to the start time if the court is in use.
- Please do not walk across courts when proceeding to your allocated court of play, walk behind the curtains to your court.
- Cell phones should be on silent while on the court.
- Only water or sports drinks are permitted on the court. No other beverages are allowed.
- Upon arrival at the Club, members and guests must confirm their court allocation and all playing partners at the Front Desk.
- Please avoid the use of profanities.
- Clothing must be appropriate for tennis play. Shirts must be worn at all times; no cutouts or jeans are permitted; only non-marking tennis shoes may be worn.

Tennis Court Schedules

The Club has seven (7) indoor courts (4 downstairs, 3 upstairs on level 2) and four (4) floodlit roof top outdoor hard courts (April 1 – September 30).

Tennis membership application forms are available from the Front Desk Reception. A tennis trial of four (4) court bookings is available for non-tennis Club members, please inquire at the Front Desk Reception.

RESERVATIONS: ADULT TENNIS MEMBERS

- Booking for courts 1 – 4, 9 – 11, can be made 6 days in advance (starting at 8pm).
- Bookings for courts 5 and 6 can be made 5 days in advance, (starting at 12pm).
- A player may have a maximum of six (6) court bookings within a 7-day period. Maximum two (2) Prime-Time bookings.
- A player may also walk-on to empty courts by checking into front desk 15 minutes in advance of court time if the court is un-booked and empty.
- To reserve a tennis court for doubles play, four (4) players' names must be given. To reserve a tennis court for singles play, two (2) players' names must be given.
- On arrival at the Club, all players must confirm their court allocation and playing partners at the Front Desk Reception.

RESERVATIONS: JUNIOR TENNIS MEMBERS

- Junior tennis members may book courts during Junior Court Time or Non-Prime time, a maximum of six (6) days in advance. Junior members may play during Prime Time if the court is accompanied by a Full Adult Tennis member (who may book six (6) days in advance or with 24-hour advance booking).
- Junior Members may also book available courts within a 24-hour period.
- Sat/Sun Junior times are reserved on court 1.

Waitlist

Tennis members may ask to be put on a waitlist should their requested booking not be available. On the tennis booking page, click "waitlist" and then click "join the waitlist" and select your desired court requests. If a court is cancelled, GameTime will automatically reserve the court, and an email will be sent to you. All players must be booked, and will be subjected to a rules check when a court is cancelled and the waitlist is triggered. If any player is breaking a rule, the booking will be bypassed and the booking will be given to the next group.

Cancellations

Court bookings must be cancelled no less than six (6) hours before the booked time or a late cancel/no-show fee of \$25 + GST per court will be charged.

Walk-On For Vacant Courts

If a court is available for walk-on, players must check in with the Front Desk Reception and book the court for immediate play. Failure to do so may result in the players being bumped by subsequent players who do check in and book with the Front Desk Reception.

No Shows

A court that is not claimed within ten (10) minutes of start time will be released. Open Courts are available on a first come, first serve basis, and must be reserved at the Front Desk Reception. If you know you will be late, please call the Front Desk Reception to avoid your court being released.

Guests Privileges

- The Tennis Member must meet their guest in the front lobby and check in at the Front Desk Reception.
- If a Tennis Member's name is substituted for the guest name, this change must be recorded by the Front Desk staff.
- As per the Club Rules R20 – each Member is allowed a maximum of four (4) participating guests per month, none of whom may be introduced more frequently than twice in a given month. This may change based on covid protocols and regulations.
- A Guest fee of \$10 + GST for juniors and \$15 + GST for adults must be paid before the guest is permitted to enter the Club to play.

Ball Machine

- The rental rate for the tennis ball machine is \$10 + GST per 75 minute booking.
- The ball machine may be used ONLY between 7:00am – 9:00pm.
- Ball machines cannot be used during Prime Time.
- It is the user's responsibility to leave the courts in the same condition as prior to the use of the ball machine. Courts must be swept to remove the ball fluff after each use.
- Use of the Club's (or privately owned) ball machine, is restricted to the upstairs Courts 5, 6 and 7. If Court 7 is not being used by a pro for coaching, that is the preferred court to use.
- Tennis members must check in with the Front Desk Reception to receive keys for the Ball Machine. Tennis members will be required to leave their keys or other personal belonging with the Front Desk Reception until the Ball Machine keys have been returned.

Playsight

NSWC offers a state-of-the-art tennis analytics technology system equipped with six fully automated cameras and an interactive touch-screen kiosk. The system uses advanced image processing and analytical algorithms to capture and log stroke type, ball trajectory, speed and spin, in-depth shot data, player movement and more! Every time you use the PlaySight system, your activity is recorded, analyzed and saved to the PlaySight cloud where you can access it any time through the on-court kiosk or at PlaySight.com. Train smarter.

Perform better.

- PlaySight is only available on Court 5.
- PlaySight is free of charge to Members, but a private information session is recommended by a Tennis Pro prior to use.

PRE-BOOKED COURT LIMITATIONS

Tournaments

During scheduled tournament and events, the policies and procedures DO NOT CHANGE. Booking times will remain the same to allow non-participating members access to the available courts as normal. All organizing committees will release courts not being used.

Block Bookings

Block bookings may occur at the discretion of the Tennis Director. To avoid any conflict on court allocation, please forward this information to the Tennis Director thirty (30) days prior to the dates required. Committee representatives must complete a block booking form listing all players and court time required. Only after receipt of this information will courts be reserved on the court booking system.

ADVISORY

Keith is President of Context Planning Ltd. and is an independent insurance advisor able to quote, source and place business with all the major insurance companies in Canada. He works with clients on their risk management planning including life, disability, critical illness and long-term care insurance. Keith also consults and keynotes for organizations on communication and sales best practices ranging from the World Critical Illness Conference to TEDx.

KEITH'S PHILOSOPHY:

I believe that although the things we insure ourselves against, critical illness, death, long-term care can be scary, the conversation around managing those risks with insurance need not be. The reality is that not everyone needs every type of insurance that they can access. An open dialogue about the likelihood and potential impact of these events with and without insurance is the right place to start.
